# FAQ

**Q1: What causes the certificate fetching to fail?** A: Certificate fetching might fail due to data mismatches such as differences between the information provided in the National Sports Repository System (NSRS) and the details on the Aadhaar card.

**Q3: What should I do if my certificate fetching fails due to these mismatches?** A: If you encounter certificate fetching failures due to data mismatches, reach out to the Khelo India Events team for assistance. [kheloindiaevents@gmail.com](mailto:kheloindiaevents@gmail.com) or SAI Call Centre or [itdivisionhq-sai@gov.in](mailto:itdivisionhq-sai@gov.in) . **Please make sure to email your details as mentioned to this given email ID for first level support.**

**Q4: How can I avoid these mismatches in the future?** A: Ensure that the information you provide in the NSRS matches exactly with the details on your Aadhaar card, including phone number, Date of Birth, and name.

**Q5: Who do I contact for help with resolving certificate issues?** A: For resolving certificate issues, contact the Khelo India Events team. They can assist you in correcting any data mismatches and ensure successful certificate issuance.

**Q7: What information do I need to provide to the Khelo India Events team for assistance?** A: Be prepared to provide your NSRS ID, details of the mismatch (e.g., phone number, DOB, name), and any other relevant information to help the Khelo India Events team resolve the issue promptly.

Thank You!
